

# BLENDED PAVER

ENVISION A BURNT BRICK PATTERN IN YOUR DESIGN THAT IMITATES A CLAY BRICK PAVING

## BURNT BRICK

- BURNT BRICK can be manufactured with different stone finishes. Just envision your finish and describe it to us. We will manufacture uniquely for you.
- Every paver top is unique in pattern, unlike those single print pavers that give an unnatural repetitive look to the entire landscape.
- The paver has an anti-skid stone finish, which means even in rains you can safely walk over them without the fear of skidding and causing injury
- Good strength means seldom breakages leading to almost ZERO MAINTENANCE. Just fit it and forget.
- Easy to maintain. Just clean with pressure wash for years of premium look.
